For Email, Open your web browser to:  
<http://mail.gwcisp.com/>

You must use the full email address, i.e.  
test@kalnet.com (not just "test")

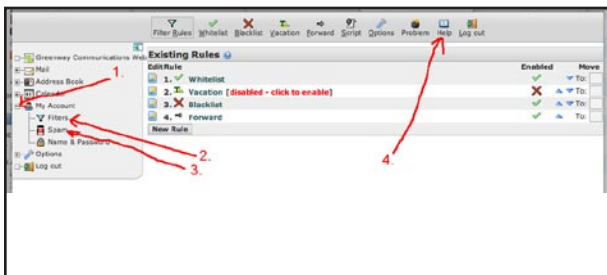

When you log in, you can control your e-mails.

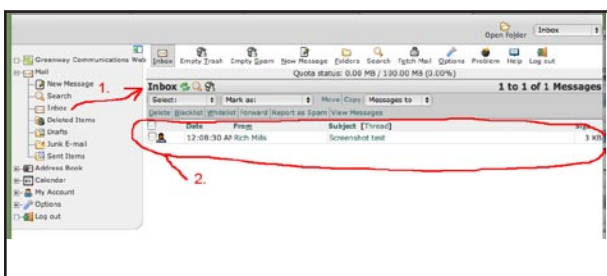

1. Click on the "+" icon to open "in box" functions.
2. In box.
3. Check out options. Lots of controls there.

Take time to review "Options".

1. Click the "My Account"
2. Filter setting.
3. Spam setting.
4. Help. You can find help setting up filters by going to "Help".

1. Click the "Inbox"
2. E-Mail messages
